A prompt will pop up asking for entry of account information. **All fields must be entered**. Once complete, click **Continue**. <u>**Your debit card number is never your account number.**</u>

Set Up Refund Account

Account Information

* Indicates required fields

You can use any personal checking or savings account.

Do not enter other accounts, such as corporate account numbers, credit cards, home equity, or traveler's checks.

Do not enter debit card numbers. Instead, enter the complete routing number and bank account number as found on a personal check.

*Name on account:

*Account type: Select account type ▾

*Routing number:
(Example)

*Bank account number:

*Confirm account number:

Cancel   Continue

If you are unsure where to locate the information, please see the example below.

ABA Routing Example ✕

Please enter your banking information as shown in the example above.

- **Routing number** - always comes first and is exactly 9 digits.
- **Account number** - varies in length. May appear before or after the check number. Include any leading zeros, but omit spaces and non-numeric characters.
- **Check number** - is not needed. Do not include the check number.

It is important to enter your banking account information accurately, or your payment cannot be successfully completed. If you have questions, please contact your bank.

DO NOT enter your debit card number.

A confirmation screen will be displayed showing the name on the bank account, name of the bank, routing number, and account number. If you choose to do so, you may also print the confirmation by choosing **Print Agreement**. If all is correct, click the **I Agree** box. Once you click I Agree, click **Continue**.

Set Up Refund Account
